The second annual RSM diabetic foot meeting

Book online at: www.rsm.ac/DiabeticFoot2019
Venue
Royal Society of Medicine,
1 Wimpole Street, London W1G 0AE

8.30 am - 5.05 pm
Tuesday 14 May 2019
CPD: Accredited
About this event
This multi-disciplinary meeting will bring together diabetologists, vascular surgeons, plastic surgeons, orthopaedic surgeons, radiologists, microbiologists, podiatrists, nurse specialists and other allied health professionals, to discuss best practice in the management of diabetic foot disease and limb salvage.

Topics include:
- Geographical variations in limb salvage and contributing factors
- Current best practice in the diagnosis and management of acute Charcot’s neuroarthropathy
- Best practice in the management of diabetic foot ulceration and foot sepsis
- The evidence behind wound care strategies
